About HTIS

HOLY TRINITY International School (HTIS), run by KSM Educational and Charitable Trust, is located at Melpalai, Edaicode Post, Kanyakumari District, Tamilnadu, which is 10 kms. away towards north from Marthandam and Kuzhithurai and 40 kms. away towards the east from the International Airport, Trivandrum. The school is situated in a 4 acre green campus. The rich lush green campus provides additional strength for conducive learning environment. The school embarked its academic journey with classes Pre-K.G. to VII in the year 2015-'16 with a vision to 'Illuminate the World' i.e., to enlighten the young minds and to make them serve the world. It has got rich infrastructure facilities with Library, Laboratories, such as Language lab, Science lab, Mathematics lab, and Computer lab, Digital Classrooms, Activity Hall, Science park, Kids park, and facilities for indoor and outdoor games. The school is affiliated to Central Board of Secondary Education (CBSE), New Delhi. In addition to this, our students from classes III to X write Cambridge University English Exams every year.

The School shows a remarkable commitment to groom the child's cognition, positive emotions, values and psychomotor skills. The School has an MOU to Women International Onlus, Italy for an exchange programme of teachers and students.

VISION

Illuminate the World

MISSION

- To enhance the holistic development of the children.
- To provide a world class education in every aspect.
- To nurture the children with multiple intelligence.

"Educating the mind without educating the heart is no education at all" - Aristotle

- To provide value oriented education.
- To inculcate a sense of humanism among students.
- To develop the children into effective leaders.
- To prepare responsible global citizens with multicultural perspective.
- To foster creativity among students.
- To ensure physical and mental fitness.
- To enrich them with life skills.

OBJECTIVES

1. To provide conducive learning environment for physical, intellectual, social and emotional development.
2. To enhance communication skills.
3. To imbibe personal, social, moral, and cultural values.
4. To encourage academic excellence through child centered approaches.
5. To make them aware of health & hygienic skills.
6. To increase self motivation for better achievement.
7. To develop critical & problem solving skills.
8. To identify their talents in specific areas and give enrichment programmes.
9. To enhance their stress coping skills.
10. To make them aware of time management.
11. To acquaint them with technological skills.
12. To provide remedial teaching for better performance.

"Education without values, as useful as it is, seems rather to make man a more clever devil" - C.S.Lewis
