

BUILDING SAFETY CERTIFICATE

NO : KU/B.A2/1936-18 dt 03-10-18

This is to certify that the school building HOLY TRINITY INTERNATIONAL SCHOOL, Melpalai, Edaicode Post, Kanyakumari District, Tamilnadu is designed for seismic load conditions.

And the structural analysis and design of the above said proposed construction satisfies IS: 1983(Part 1) – 2002 and IS : 4326-1993 for seismic load analysis and design.

In my opinion, that the buildings are in accordance with good quality of building materials the column size and position of column were fixed properly in order to distribute the loads uniformly and this building is found to be structurally sound. The structure of building is safe for the year 2018-2019.
